

# Fundraiser

**Would you like an opportunity to earn money  
for your Non-Profit Group/Organization?**

**Chartwells is proud to be the exclusive provider of food and  
beverage for the University of Miami's Watsco Center**

**We seek to provide qualified non-profit organizations a  
unique fundraising opportunity.**

Volunteers are needed to assist with the concession stands as cashiers, vendors and stand workers. You will have the opportunity to work various basketball games, concerts and special events throughout the year. Not only will you help raise money for your organization, but you will have fun while providing the best possible service to our patrons.

The fundraising program provides community exposure for your organization as well as community service experience for volunteers.
